DISTRICT BOARD OF MYSORE.

Notification No. C. 1938 *L. B.*—29-30, *dated 2nd June* 1930.

The public are hereby informed that the right of collecting toll at the Yedatore Bridge for the year 1930-31, will be resold by public auction by the Sub-Division Officer, Mysore. The sale will be conducted on the 16th June 1930, at the Taluk Office, Yedatore. The conditions relating to the sale may be ascertained in the following offices during office hours.

1. Taluk Office, Yedatore.
2. Sub-Division Office, Mysore.
3. Office of the President, District Board, Mysore.

The intending bidders may attend in person or by a duly authorised agent and bid at the resale. They must abide by the terms of the sale notification which will be read out at the time of sale or which is published in the *Mysore Gazette*, dated 15th May 1930.

M. SESHADRI,
President.

MYSORE CITY MUNICIPALITY.

Dated 1st June 1930.

1. Notice is hereby given that sealed tenders for collection of burnt granite broken metal for tarring the roads in the Mysore City as per specifications given below, will be received at the Office of the President, City Municipal Council, Mysore up to 3 P.M., on Tuesday the 10th June 1930. The tender shall be for each group.

2. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the 10th September 1930. The work will be divided into four groups as detailed in the schedule attached below :—

Description of work	Unit of work	Rate per unit
Supplying hard burnt granite broken metal so as to pass through 1″ and 1½″ rings free from disintegration, dust, mud and flaky chips.	Cu. Yd.	Rs.

3. Each tender must be accompanied by a deposit of rupees 750 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for.. .... group No:—" in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the President who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within three days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond on a stamped paper in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the President's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. The acceptance of the tender will be subject to the following conditions.—

(i) The tenderer should be prepared to supply and neatly stack any quantity of metal ordered by the Engineer in charge or other officer deputed by him in any part of the Mysore City.

(ii) The President shall reserve the right of cancellation of the contract for any deficiency noticed as regards progress, quality method of work, after duly warning the contractor.

(iii) The supply shall commence within ten days after the contract bonds are drawn up.

(iv) The quantity of metal to be delivered at site shall not be less than 50 cubic yards per day.

(v) Measurements will be taken weekly or every Saturday and the contractor will be allowed five days grace to make up any deficiency observed between the minimum quantity agreed upon, *viz.*, 350 cubic yards a week, and the quantity actually supplied during the week. If the deficiency is not made up within five days, a fine of 5 per cent of the value shall be levied on the quantity in respect of which there is default. If the deficiency remains unsupplied for a total period of ten days, the earnest money will be rendered liable to forfeiture, and the contract may be cancelled at the discretion of the President.

(vi) In all matters of dispute relating to quality, quantity rates, etc., the decision of the President shall be final.
